RIU Palace Pacifico

Riviera Nayarit (Puerto Vallarta), Mexico

The new resort setting of Riviera Nayarit is located just a few miles from Puerto Vallarta on the Mexican Pacific Coast.

More precisely, it lies on Banderas Bay, the largest natural bay in Mexico. Mountains that tower above a glistening sea, lush tropical jungles that extend to the beach and an exuberant animal kingdom surround this modern-day vacation enclave. Great dining, excellent shopping and calm golden beaches line up on the vibrant seafront main boulevard. This traditional old-world colonial style village offers a fabulous array of luxury resorts.

In 2008 we introduced the new 5-Star All-Inclusive *Riu Palace Pacifico* and it was an instant smash! Located on the renowned Flamingo Beach, one of Mexico's most beautiful Pacific Coast beaches, the Pacifico is an elegant resort designed to offer it's guests the very best service and cuisine. Featuring all the amenities for which Riu All-Inclusive Resorts are well-known, this sparkling, new 5-Star resort offers five themed restaurants and Riu's signature *Renova Spa*. Sailing the crystal-clear blue waters, horseback riding on the beach and world-class golf are at your doorstep.
