## Spring Break in Mexico!

### Playa del Carmen

March - April 2011

*Our Newest 5-Star Resort!*

Enjoy 5-Star luxury at the new **Riu Palace Riviera Maya**! The pristine white sand beach of Playacar is the setting for this fabulous new all-inclusive resort. Several of our clients have upgraded to this luxurious resort since it opened in 2007 and many have rebooked it since! They were pampered with such amenities as hydro-massage bathtubs—a standard

feature in all 400 junior suites. The newest of five Riu resorts in Playa del Carmen, the **Riu Palace Riviera Maya** provides a wholesome atmosphere for families with elegant palatal architecture and breath-taking tropical landscaping.

The activities at the beach, around the pool and in the restaurants and lounges will keep you as busy as you wish to be. The Playacar Golf Club is directly across the street and the town center is an easy one mile walk away. Cozumel—long recognized as one of the finest snorkel and scuba areas in all the Caribbean—is within easy reach as are the famous archeological sites of the Yucatan peninsula.
